

WASTE COMMUNICATIONS OFFICER

- Package up to \$68K (incl. super)
- Participation in RDO scheme
- Ref 09/82

Are you motivated, experienced and passionate about waste & recycling? If yes then come and join our team and make a real difference to the community. You'll be involved in a wide range of waste & recycling activities including the development of communication material and campaigns that assist in the use of Council's waste services. Your abilities in developing programs with limited resources coupled with your great communication and administrative skills will ensure your success in this role. Don't waste time, apply today!

Essential

- Tertiary qualifications in waste, communications, marketing or a similar discipline
- Several years experience in waste, education, communications, marketing or similar
- Experience in budget management and proven ability to optimise and fund all campaign outcomes with limited funding
- Proven ability to develop concept draft artwork and coordinate process through to advertising or development of a variety of material for both waste & recycling initiatives utilising a combination of Photoshop, Publisher and/or Corel draw or similar.
- Solid knowledge of current and potential sources of funding for waste projects and experience in applying for and securing such funding from the relevant bodies
- Demonstrated initiation of new ideas for campaign delivery and outcomes
- Proven ability to develop and implement a targeted marketing & information campaign
- Excellent communication and interpersonal skills demonstrated across all spectrums of the community including all age groups, ethnic backgrounds and differing socioeconomic status.
- Experience in administration and solid working knowledge of corporate IT systems such as Microsoft Word, Excel and Outlook
- Proven ability to work successfully as part of a team
- Knowledge of and commitment to OH&S and EEO principles
