

Top Ryder Timetable

The Top Ryder is a free bus service that anyone can use.

The service runs Monday – Saturday during off-peak hours (9.30am to 3.00pm). You can catch it at designated Top Ryder bus stops or at any STA bus stop along the route.

The buses have been specially modified to assist the elderly and those who use wheelchairs. If you use a wheelchair it is essential that you call to book your place the day before you intend to travel. This will ensure that there is a place available for you.
