**C**ity of Ryde has provided an effective and efficient commercial waste collection service to a diverse range of local businesses since 1992. The City of Ryde now offers commercial bin sizes ranging from 240 litres up to 3 cubic metres, which includes general waste, recycling and green waste collection services to cater for the requirements of many different businesses.

### Why choose our services

City of Ryde is committed to maximising recycling in the Ryde local government area. Utilising our recycling services protects the environment and also offers reduced costs, delivering significant savings to your business.

Council's waste collection service offers local businesses a professional and market-competitive service, with the flexibility to cater for most business needs.
