Bush fire ready

A dry winter and unseasonably high September temperatures are warning signals for all residents to be bush fire prepared.

The NSW Rural Fire Service strongly recommends that everyone in your home has a conversation about exactly what they'll do in a bush fire. It should take just 20 minutes and you can use their excellent discussion guide to get you ready.

1. Discuss what to do if a bush fire threatens your home
2. Prepare your home and get it ready for the bush fire season
3. Know the bush fire alert levels
4. Keep all the bush fire information numbers, websites and the smart phone app

You will find the downloadable guide at www.rfs.nsw.gov.au

Community Message – New Boat Trailer Parking Laws

Earlier this year, the City of Ryde invited the community to 'Have Your Say' on whether or not Council should opt in to enforce new boat trailer parking laws. We would like to thank the community for participating in the consultation.

A report on the outcome of the community consultation along with the implications to Council were presented to the Finance and Governance Committee on Tuesday 15 August 2017 and then to Council for consideration.

At its meeting Tuesday 22 August 2017, City of Ryde Council resolved:

(a) That Council at this stage adopts not to enforce the parking of boat trailers within the City of Ryde under the changes to the "Impounding Act 1993 No 31".

(b) That this matter be reviewed by the Manager Community Services in August 2018 and reported back to Council should there be significant changes in the level of reported incidents relating to parked boat trailers within the City of Ryde

This means there will be no change to existing parking laws for boat trailers within the City of Ryde, with a review to follow in August 2018. To view a copy of the Council report and resolution please visit www.ryde.nsw.gov.au/haveyoursay/boatlaws. For more information please call Customer Service on 9952 8222.
