In considering funding assistance priority will be given to those applications that address a demonstrated social welfare need and cannot be readily assisted by any existing Government funding program.
- b. The **ClubGRANTS** Fund Committee will assess the suitability of the applications and the capacities of the applicant organisations to manage requested funds.
- c. To determine the allocation of funds, the Committee will:
  - (i) ascertain an appropriate mix between one-off assistance and longer term funding commitments; and
  - (ii) ensure a spread of donations, as far as possible, across a variety of organisations and causes.
