

You can also drop off items with the following logos:

Transporting your materials safely

Transporting your materials safely to a CleanOut collection is important. Here are some top tips for safe storage and transportation:

- Ensure containers are clearly labelled and well-sealed. If you do not know the contents, label the container 'UNKNOWN CHEMICAL'.
- Wherever possible keep all chemicals in their original containers.
- Never mix chemicals as this may produce dangerous reactions.
- Liquid can leak during transportation. Wrap old or damaged containers in newspaper, place in a sturdy plastic bag and then in a plastic container or tray.
- Keep household chemicals away from passengers e.g. in the boot.

Other recycling programs

- Return **unwanted medicines** to your local pharmacy for safe disposal.
- Recycle your **mobile phone** at an Australia Post store or look for the green Mobile Muster drop off bins at your local bank or phone store.
- Drop off your **used or empty laser and inkjet printer cartridges** at participating Australia Post, Officeworks, JB Hi-Fi and Cartridge World stores.
- Go to www.recyclingnearyou.com.au to find out where you can drop off **TVs, computers or printers** for recycling.
- To learn about **green cleaning for your home** please visit www.environment.nsw.gov.au/resources/communities/languageresources/110741-Cleaning-English.pdf
- Home based businesses can find out where to recycle **business waste** at www.businessrecycling.com.au

This project is a NSW EPA Waste Less, Recycle More initiative funded from the waste levy. Visit www.epa.nsw.gov.au
