

## Trial Dog Off Leash Area at Brush Farm Park

Council has resolved to conduct a trial dog off leash area within Brush Farm Park. This trial will commence 27th October 2010 and will run for six months. Towards the end of the trial period, a report will be returned to Council where the success of the park as an off leash area will be evaluated and the park's future as a permanent off leash area will be considered.

The off leash area is shown as red hatching to the left. In all other areas of Brush Farm Park, dogs must remain on a leash.

Your comments and feedback are invited on the trial and you can forward your views to Council the following ways:
