# Fees for service in 2013-2014

Fees for services provided by Council are shown in the following pages in this section. Each fee that Council sets, is categorised as A, B, C, D, E, F, G or H. These categories denote the primary policy principle used in setting the fee as follows:

## **A Statutory Fee (Set)**

The fee charged is prescribed in a regulation or set by legislation at a specific amount.

## **B Statutory Fee (Discretionary)**

The fee charged is discretionary in a regulation or set by legislation up to a maximum amount for the fee.

## **C Fully Subsidised**

There is no fee charged for this good/service and it is fully funded by general income. Reasons for a zero cost recovery may include:

- The service is considered a Public Good and provides a broad community benefit.
- Practical restraints limit the ability to be able to charge for services on a user basis, or the revenue collection is so minor as to be outweighed by the cost of collection.
- The desire of Council to encourage usage.

## **D Partially Subsidised**

The fee charged is set to derive a partial contribution to the cost of providing the service - a percentage of the cost of the service is met from general income.

## **E User Pays - Direct Costs**

The fee charged for this good/service is set to recover the annual and/or maintenance costs. The cost of any assets used in providing the good/service is met from general income (including general purpose grants).

## **F User Pays - Full Cost Recovery**

The fee charged for this good/service is set to recover the full costs of its provision, including the cost of replacement of assets and the cost of fixed overheads used in the provision of the good/service.

## **G User Pays - Market Prices**

The fee charged for this good/service is set to generate an appropriate rate of return on the capital invested.

## **H Refundable Deposit**

The price charged is a fee that is refundable to the payee after a prescribed condition is met.

The initial deposit payment does not attract GST. But any full or partial forfeiture of the deposit may attract GST.

Note: The General Manager has the power to reduce or waive fees where there is justification.

## CATEGORIES OF HIRE

### Category 1 - Standard

Categories outlined below are exceptions to this standard rate.

### Category 4 - Unfunded Non-Profit Groups

This includes Playgroups.

Groups in this category (with the exception of Playgroups) will be reviewed after two years. This category aims to support groups to become sustainable at the time of

development. During this time, Council's Community Services department can assist groups to develop and source ongoing funding.

## DISCOUNTS & SUBSIDIES

## FEES & CHARGES FOR EACH VENUE

The amount listed in the fees and charges for each facility is a minimum bond only. The General Manager may increase the bond amount if the use is deemed to be a higher risk activity.

Regular hirers can request in writing, to use a bond release form and pay 4 weeks in advance, instead of paying the required bond up front.

## MINIMUM HOURS OF USE

The General Manager has the flexibility to reduce minimum hours of use for each hire on a case by case basis.
