

**6 CITY OF RYDE - "FIT FOR THE FUTURE" - Councillor Terry Perram****File Number:** CLM/15/1/4/6 - BP15/250

---

**MOTION:**

That the Member for Ryde, Mr Victor Dominello, who is reported in the TWT to have said "I hope to God Ryde City Council will be fit for the future", be informed that it is not possible for the City of Ryde to meet the Government's criteria for "fit for the future" because of the arbitrary and unsubstantiated requirement that councils must be of a certain scale to qualify.
