Intangible - things I can feel

n=600 Community Survey

CONSULTATION RESULTS

EVENT ORGANISERS

Defining and communicating the cost breakdown of Council SubCommittee Funding

Increasing grants funding to cover the cost of in-kind support.

Eg. Field Hire, Waste

Framework for grant receivers to demonstrate accountability for the funds received. This promotes fairness in the evolution of the grants application process.

Review the grants application process to provide greater access to grants throughout the year

Request for advertising, marketing, onsite support, managing of meetings, sponsorship and stall holders

Review the current resource capacity of Council's Events Team to include an advisory role to assist Event Organisers (Delivery Plan 2018 - June Council)

EVENTS REVIEW

RECOMMENDATIONS

FUTURE DIRECTION

More Niverse Program

Our events build community pride and celebrate our diverse and inclusive City

ACTION

- Encourage community groups to utilise the Community Grants Program.
- 2. Assess and review current events.

OUTCOME

Meets the market segmentation needs of our community.

Creates a more inclusive city.

Innovative Events

Our events have the capacity to evolve with emerging trends and provide our community with new experiences

ACTION

3. Seek funding for quality entertainment and to act on event trends to create interesting experiences.

OUTCOME

Increases effeciency in event delivery.

More competitive in the market.

Increases satisfaction and attendance levels.

Strengthens Council brand.

de

1)

2)

3)

4)

FUTURE DIRECTION

Adapting to change

Our events adapt to changing demands on event delivery

ACTION

4. Increase funding for mandatory changes such as target hardening, security, traffic, sustainbility.

OUTCOME

Keeps our community safe, which is highly valued in our community.

Aligns with community expectation.

Consistent Service

Our structure and processes guide the delivery of events in our community

ACTION

- **5.** Define event categories and streamline processes through policies and procedures.
- 6. Establish approval framework for new events.

OUTCOME

Clarity around event categories.

We become fair, transparent and accountable in our event delivery.

2)

3)

4)

FUTURE DIRECTIONS

Build Community Capacity

Our Community are empowered to deliver events

ACTION

- 7. Establish a

 Toolkit for event

 management for
 the community.
- 8. Additional resource to advise and guide event organisers.

OUTCOME

Increases effeciency of support provided to our community.

Increases the success of the community events.

Event organisers feel supported by Council.

Communiate with our community

Our community are well-informed about our events program

ACTION

- 9. Seek funding opportunities to promote our events.
- **10.** Increase digital presence and diversify advertising channels.
- **11.** Increase promotion of community grant events.

OUTCOME

Increases awareness of the many programs and events the City of Ryde provide.

Event organisers feel supported by Council.

Strengthens Council brand.
