*All figures are Total Weights in Tonnes

SUDs - Single Unit Dwellings

MUDs - Multi Unit Dwellings

RR - Indicates Rate of Recycling

Note: Waste is collected on a 1 week cycle, Recyclables and Green Waste collected on a 2 week cycle (this is taken into account for the calculations of the Recycling Rate).

Figures are for kerbside bin collection only and do not include Household Cleanup collections undertaken at 10 week intervals (a substantial portion of this is also recycled).
