1.	<p><b>Present:</b> As detailed above.</p> <p><b>Welcome:</b> Clr Gordon welcomed all members to the inaugural meeting of the Arts Advisory Committee.</p> <p>Councillor Gordon provided the following comments regarding his vision for the committee:</p> <ul style="list-style-type: none"> <li>- There are many artists in the City of Ryde but no sense of “the arts”. All groups seem to be working in silos.</li> <li>- He campaigned for local council to focus on the arts sector.</li> <li>- Many other Councillors have an interest in the arts including Clr Pedersen – actor and broadcaster, Clr Purcell – filmmaker, Clr Zhou – amateur singer and guitarist.</li> <li>- He mentioned the support of all Councillors and noted the Mayor has arranged for previously stored artworks to be hung in the Council offices and allowed Clr Gordon to purchase new artworks at the City of Ryde art show.</li> <li>- He congratulated Clr Pedersen on instigating the “battle of the bands” held on Australia Day and would like to see that idea expanded in future years.</li> <li>- Councillor Gordon would like all styles and cultures to be represented by this committee and would like to see a diverse presence on the committee including student, professionals and community members interested in arts</li> <li>- One of the tasks of the committee is to discuss “art spaces” and what is needed in this area. Ideas include a performing arts centre, a vibrant nightlife at Macquarie Park etc.</li> <li>- Arts and Events are not the same thing and it was noted that the way to promote arts is not to necessarily put on an event.</li> <li>- He noted the tendency to justify arts with other values such as – good for the economy, mental health etc. Clr Gordon’s opinion is that arts are good simply because they are good and need to be valued for its own sake</li> <li>- In the short term it may be necessary to justify the arts but sometimes the long term effect of this is that the arts don’t remain.</li> <li>- Clr Gordon hopes this committee will assist in promoting, enabling, facilitating and holding at by the forces which operate against the arts.</li> </ul>	As noted.
2.	<b>Apologies</b> – Jen Humphrey, Rose Torossian, Clr Zhou	As noted.
3.	<p><b>Presentation on Arts in Ryde</b></p> <p>Some figures were provided with regard to the arts in Australia as follows:</p> <p>Workers involved in the arts in Australia – 230,000                  Workers involved in mining in Ausralia – 232,000</p> <p>Artists are small business owners and billion dollar export earners for Australia.</p> <p>Australia has the 6<sup>th</sup> largest music market in the world.</p> <p>Close to 70% of primary aged children do not receive music education although music has been proved to have many benefits.</p>	<p>The information was noted.</p> <p>Gunjan will be presenting on the current initiatives supported by Council at the next committee meeting                  These briefing notes will provide information regarding Council’s current actions.</p>
