Cracks have appeared along most of the length of this path and are wide enough to admit a bike tyre which could result in an accident.</p> <p><u>Terry Road Denistone – Resurfacing</u></p> <p>Council has recently resurfaced the pavement at the top end of Terry Road, Denistone. At the time of reinstating rumble bars and linemarking, extra gaps should be provided for cyclists to use this area as the temporary storage while crossing the intersection of Pennant Avenue and Terry Road.</p> <p><u>Bicycle path on Blaxland Road between Edgar Street and First Avenue</u></p> <p>The recently constructed shared user path on the northern side of Blaxland Road between Edgar Street and the First Avenue traffic lights doesn't extend to the traffic lights but stops about 15 metres from the traffic light. Council advised that this is due to future works planned by RMS to upgrade the intersection.</p>	<p>Noted</p> <p>Follow up with Sydney Water</p> <p>Staff to investigate</p> <p>Staff to investigate</p> <p>Noted</p> <p>Noted</p>
