Bus Interchange

Herring Road Improvements

Intersection Upgrade at Lane Cove & Waterloo

Herring Road improvements

We will widen Herring Road between Epping Road and Waterloo Road to provide a dedicated northbound bus lane.

We will also improve three intersections along this section of Herring Road: Herring Road and Epping Road, Herring Road and Ivanhoe Place and Herring Road and Waterloo Road.

- Replace the roundabout at Herring Road and Ivanhoe Place with traffic lights
- At the Herring Road and Epping Road provide an additional northbound right turn lane from Herring Road onto Epping Road

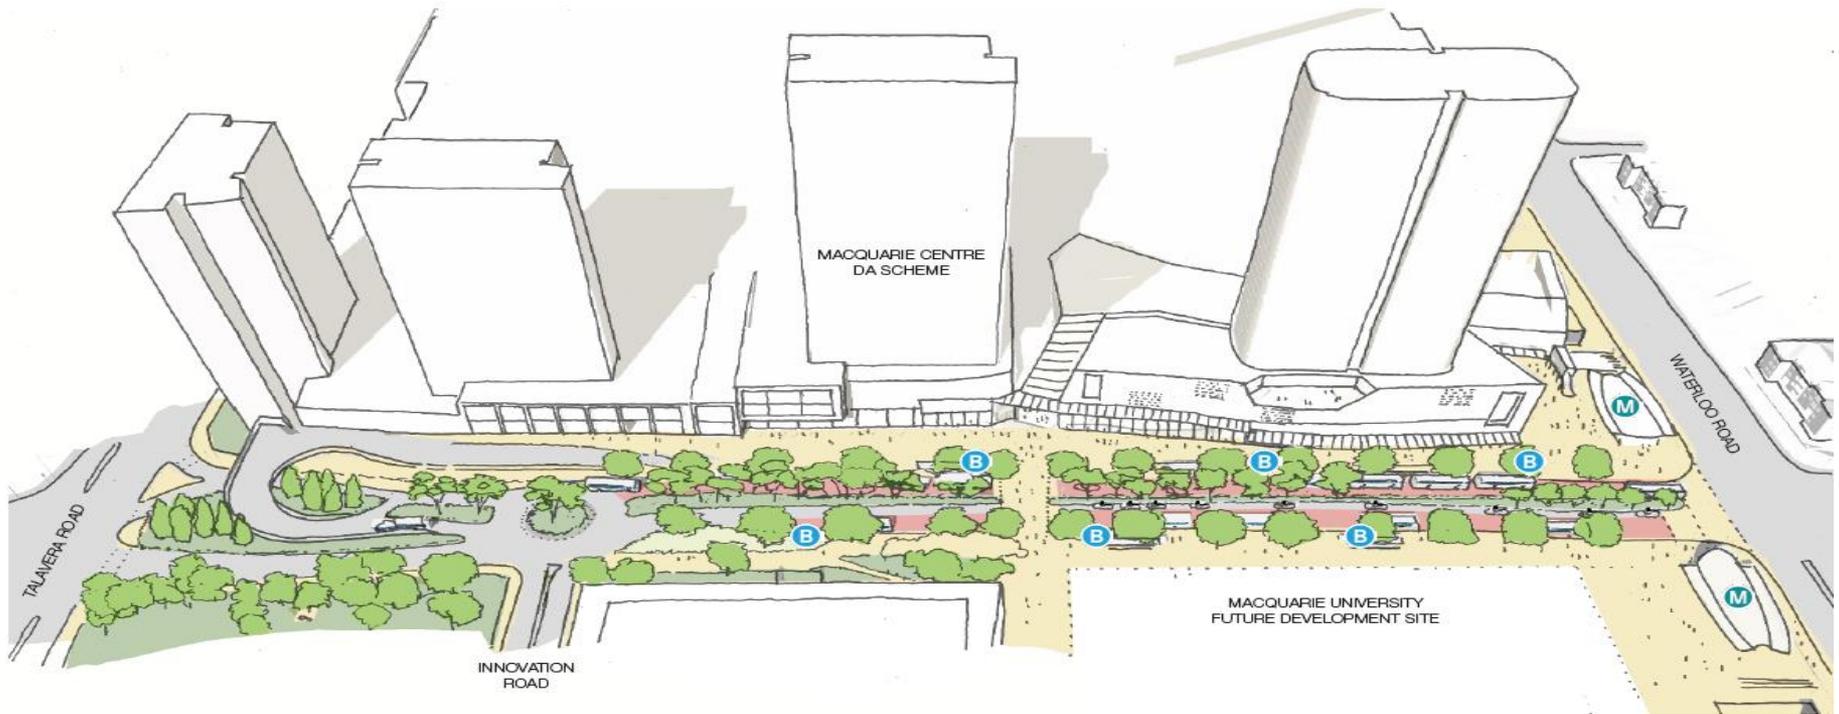

Lane Cove Road and Waterloo Road intersection upgrade

We will :

- create a dedicated bus only right turn lane from Waterloo Road south onto Lane Cove Road
- reconfigure Waterloo Road at the intersection to provide southbound two right turn lanes from Waterloo Road onto Lane Cove road - this is in addition to the existing bus only right turn lane
- create an additional westbound through lane on Waterloo Road.

Bus interchange

Northern Layover

- Required to support the interchange and removal informal layover arrangements currently in place
- Capacity for 20 buses and a meals / amenities building
