1 EXPERIENCE  
LEADING PRACTICE  
PUBLIC ART

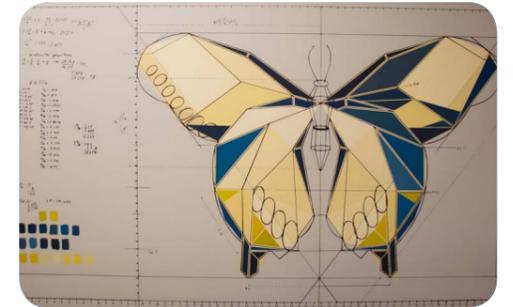

4 DEVELOP NEW  
APPROACHES TO  
PUBLIC ART

2 INSPIRE THE  
WORLD

5 CELEBRATE  
THE CREATIVE  
PROCESS

3 ENGAGE THE  
INNOVATION  
COMMUNITY

## 4 EXERCISE CORNER

*Exercise your mind and body...*

### PROJECT INTENT

Today, outdoor exercise spaces encourages both active and passive activities for all ages. Outdoor exercise spaces are free to the public and encourage incidental exercise. Just as important are its visual attributes. These spaces not only encourage physical fitness but are visually exciting. They are works of art and assist with reinforcing the identify of that place. This project is intent on creating a unique exercise destination that will be identifiable with Shrimptons Creek and the Macquarie Park Corridor.

### LOCATION

Cottonwood Park - located off Cottonwood Crescent.

### SPATIAL TYPOLOGY

Park

### SUB-THEMES

#### Testing Boundaries

Questioning the nature of exercise and exploring different methods for physical exercise and passive activities.

#### Collaboration

The cooperation of artists and fitness practitioners to help build a healthier and more creative community.

### KEY OBJECTIVES

- Provide exercise equipment that is unique to Macquarie Park
- Create elements that are both artworks and exercise equipment.
- Providing exercise equipment that is suitable for a variety of age groups.

### TYPOLOGY

Functional

### BUDGET

\$200,000
