**Council's Senior Traffic Engineer – reports 2 August 2010****Report**

Council's Capital Works Program for the period 2010/11 has listed under the category of Traffic Facilities Construction (New) the construction of a roundabout at the intersection of North Road and Willow Crescent, Ryde.

**Background**

Council at its meeting on the 8 December 2009 resolved to adopt the following recommendation in respect of the report titled "North Road, Ryde – Traffic Management Options Paper (Further Update)", as follows:

*That Council consider allocating funds in a future Management Plan for the construction of a roundabout at the intersection of Willow Crescent and North Road, Ryde.*

**Consideration**

A copy of the roundabout design is detailed in the **ATTACHMENT REPORT** which has been designed to accommodate a 12.5 metre bus and a 12.5 metre Medium Rigid Vehicle (MRV) respectively.

**RECOMMENDATION:**

That Council approve for construction the roundabout at the intersection of North Road and Willow Crescent in reference to drawing "North Road – Roundabout Construction at Willow Crescent – 19/279".

**Submitted for the consideration of the Committee**
