ITEM (K) REVIEW OF RYDE SCHOOL SAFETY PROGRAM

File number: D14/77271

Summary Report

Committee was notified of a joint project between Council's Community Capacity and Events Team, Ranger Parking Enforcement Team and Traffic Transport & Development Team.

The program was developed to address the increasing number of safety issues being reported by Council staff, schools and residents in relation to traffic congestion and parent/carer behaviour around school zones, in particular at drop-off and pick-up times. The program aims to:

- 1) Improve safety around school zones
- 2) Change parent/carer attitudes and behaviours around school drop-off and pick-up
- 3) Systematically work with every school in the LGA to review conditions, identify issues and develop realistic options and actions
- 4) Facilitate a more effective process for planning, prioritising and funding traffic and infrastructure works and managing school and community expectations

The Committee noted the information provided.
