2019 Cork & Fork by the Riverside

A great day out at the Cork & Fork Festival

It was great to see so many people of all ages at Kissing Point Park last Sunday to join in the fun of the Cork & Fork Festival.

It is remarkable how quickly this food and wine festival has grown in just three years, with more than 8,000 people attending this year's event.

While the tasty gourmet food on offer was a highlight, it was also great to have the chance to listen to some great music with the beautiful Parramatta River foreshore as the backdrop.

I would like to thank the Cork & Fork Committee as well as the events team at the City of Ryde for ensuring this year's event was such a success and I look forward to seeing you at next year's Cork & Fork Festival.

Celebrate sustainable living at Putney Park

The great events continue at the City of Ryde with the Sustainability Festival taking place at Putney Park on Sunday 2 June.

The day will provide a great opportunity for all residents to find out ways in which they can lead a more sustainable lifestyle.

There will be food preserving and beeswax wrap-making workshops taking place

as well as animal shows, face painting and stalls featuring a range of sustainable products to buy. The Sustainability Festival is free to attend and will take place between 10am and 2pm.
