

2019 Spring Garden Competition

Spring Garden Competition closing soon

Entries close this Sunday 20 September for our 2020 Spring Garden Competition.

This annual event is the perfect opportunity for aspiring and seasoned green thumbs to showcase their creative talents and contribute to greening our City.

The Spring Garden Competition is an inclusive event, with nine categories of entry covering every kind of garden. Entry is free, with all entries to be based in the City of Ryde local government area.

Head to www.ryde.nsw.gov.au/gardencomp for more information and to see some stunning images from previous years' entrants.

Dementia Action Week

Next week is Dementia Action Week (21-26 September), with the spotlight on supporting people living with dementia to live well for as long as possible.

Dementia impacts almost half a million Australians and there are many misconceptions out there. This year's theme for Dementia Action Week is 'A little support makes a lot of difference', and I couldn't agree more.

In support of our community, City of Ryde is hosting a special online event on Wednesday 23 September with Prof. Susan Kurrle, an eminent voice on dementia. Prof. Kurrle will be coming to us live to

discuss dementia and the small actions people can take to create a big difference to the lives of people living with dementia.

Small Actions: Big Difference is a free event and registrations are essential.

Immunisation clinic

Council's immunisation clinic has been running for more than 50 years and is available to all children up to five years of age.

The next clinic is being held next Tuesday 22 September, with two sessions held from 9.30am-11.30 am and 6.30pm-8.30pm at West Ryde Community Hall, 3-5 Anthony Road in West Ryde.

All children aged six months to less than five years are eligible for free influenza vaccines at our clinic.

No appointment is necessary - you may attend any clinic if your child is due for immunisation. Due to the ongoing coronavirus (COVID-19) pandemic, the City of Ryde is taking extra measures to protect the community.

For more information, visit www.ryde.nsw.gov.au/immunisation.

Clr Jerome Laxale
