**New markets coming to the City of Ryde**

I paid a visit to the picturesque Parramatta River foreshore to announce the launch of the exciting new Ryde Wharf Market.

The Ryde Wharf Market is a Council initiative that will commence on 8 November and take place between 8.00am and 2.00pm on the second Sunday of every month at Ryde Wharf Reserve, which is located next to Anderson Park.

There will be 70 stalls and food vendors in operation at the outdoor market showcasing a variety of food, produce, arts, craft and other popular offerings, providing residents with a fun and social outing in a safe, open environment.

In addition, the Eastwood Night Markets will make a return on Saturday 7 November, helping with our continued efforts to revitalise the Eastwood town centre which has been greatly impacted by the coronavirus (COVID-19) pandemic.

Featuring some new and exciting food vendors and stallholders, the revamped night markets will operate every Saturday between 4.00pm and 10.00pm at Eastwood Plaza.

The Eastwood Night Markets and the Ryde Wharf Market will operate with COVID-Safe plans to ensure everyone's health and safety. Both markets will also be designated Waste Wise Events.

**Granny Smith Festival goes global**

It was a huge thrill to have Emma Wiggle – one of the world's most popular children entertainers – perform live on the Granny Smith Festival Facebook page last Saturday.

Emma ensured the Granny Smith Festival went global with her performance attracting viewers from across Australia, New Zealand, the United States, Canada and parts of South America.

The excitement of the Granny Smith Festival does not end there either.

There will be a special Orchestra in the Park event with the Ryde Hunters Hill Symphony Orchestra performing an online performance live from the historic Brush Farm House.

Sit back and listen to renditions of Vivaldi's 'The Four Seasons', Mozart's 'First Movement' and many more while also celebrating the 200th anniversary of Brush Farm House.

And if you have not done so already be sure to check out the Plaza Art in Four Parts series in which a different artist crafts a visual artwork dedicated to the Granny Smith Festival in Eastwood Plaza each week.

**Denistone artist wins SWAP People's Choice Award**

Congratulations to local Denistone artist, Debby Sanurryta, who has been named the winner of the People's Choice Award as part of the 2020 Sustainable Waste to Art Prize (SWAP).

Ms Sanurryta won the award and the \$250 prize for her design 'Fairy Dress', which is an eye-catching outfit made from raffia strings, net fruit bags, baking paper and string.

The People's Choice Award is determined by members of the public who vote for their favourite artwork or design object during the SWAP exhibition. 'Fairy Dress' received 62 out of a total of 584 votes to win the award.

Normally, people vote for the People's Choice Award after visiting the exhibition, however, this year due to the coronavirus (COVID-19) pandemic people were able to view the virtual exhibition and cast their vote online.

I would also like to congratulate Our Lady Queen of Peace Catholic Primary School in Gladesville, which was awarded the Schools Participation Award for being the school with the highest number of SWAP entries.

Our Lady Queen of Peace Catholic Primary School submitted 18 entries from their Year 5 and Year 6 students.

For the full list of 2020 SWAP award winners and commendations, and to view the virtual exhibition visit [ryde.rocks/SWAP](http://ryde.rocks/SWAP)
