### Ryde Wharf Markets this Sunday

This Sunday morning sees the return of the Ryde Wharf Markets, located at Ryde Wharf Reserve along the picturesque Parramatta River.

The monthly markets showcase a variety of stalls offering fresh produce, hot food, food products, arts and crafts, homewares and much more.

The fun kicks off from 8.00am and will run until 2.00pm. Marketgoers are encouraged to catch public transport where they can, as parking in the area is limited.

### Mayor's Christmas Card competition

Thank you to all the primary school students who entered this year's Mayor's Christmas Card competition.

The winner of this year's event was Michelle Lai, a Year 5 student at Ryde Public School. Michelle won a \$100 gift card and her creative design will also feature on all the Mayor's Christmas Cards.

Emma Atree, a Year 6 student from St Therese's Catholic Primary School, was awarded second place, while Danica Simic, a Year 1 student from West Ryde Public School, was awarded third place.

As an added bonus, one entry from each primary school in this year's Christmas Card competition have been turned into banners that are currently being displayed in town centres throughout the City of Ryde.

Be sure to keep an eye out for these eye-catching festive artworks as we approach Christmas.

### Heritage reforms become law

In a huge win for our community, landmark heritage reforms developed and endorsed by the City of Ryde have now become law, providing heritage protection to more than 300 items across the community.

This approval means more than 300 of our most treasured items and neighbourhoods will remain part of the community for generations to come.

Items included in the heritage reforms include Federation buildings and Inter-War bungalows, public parks such as Eastwood Park and Anzac Park, the West Ryde Hotel, as well as street tree boulevards.

There are also three new heritage conservation areas located at Chatham Road, Denistone, Darvall Estate, Denistone and Tyrell Street, Gladesville, meaning the City of Ryde now has eight heritage conservation areas in total.

In addition, the former Squire's Brewery and Halvorsen's Boat Yard in Putney and the Glades Bay Baths in Gladesville are now listed as archaeological sites.

Each item that has been heritage listed was identified by an independent heritage review of the Ryde local government area that was undertaken in 2019.

Crucially, Council undertook widespread community consultation throughout this process and struck a balance between the views of the community as well as those held by owners of significant heritage properties when endorsing these reforms. By working together, we have saved Ryde's history.

Sincerely,

Clr Jerome Laxale
