**COMPOST CONNECTION**

The City of Ryde has launched Compost Connection, which is a free online education program conducted in association with Tumbleweed, to assist City of Ryde residents to successfully establish and maintain a compost bin or worm farm.

The program takes you step by step through the whole process, from establishing and maintaining your compost bin or worm farm, to harvesting and using the compost produced to fertilise your garden.

City of Ryde residents who complete our online courses will receive a 50 percent discount voucher to purchase a compost bin or worm farm from Council.
