### STAYING SMART ABOUT DOG OWNERSHIP

The Council has noticed a rise in dog ownership across our City following the COVID-19 pandemic. This has been common within Australia with a 2021 report from Animal Medicines Australia finding that more than one million additional dogs came into Australian households since 2019.

Dogs are fantastic companions and often bring a lot of joy into a home. However, it's also important that we look after our dogs responsibly and make sure that they don't cause harm to others. Dog training is a really good way of helping to socialise dogs and it can also help form a stronger bond between you and your canine friend. There are a number of organisations across the City, which provide these dog training services.

It's also important that pet owners follow rules around 'leash' and 'off-leash' areas as some dogs can become excited and cause harm to other people or animals. Finally, just a reminder for people to please clean up after their dogs as no one likes a dirty shoe.

### FINANCIAL INFORMATION SESSIONS

Management of household finances is definitely an important topic at the moment with interest rates and costs of living increasing in recent months. There are also a number of scams happening within the community and targeting people through email and phones.

The City of Ryde, in collaboration with Services NSW, will hold a financial information session at the Ryde Library, 1 Pope Street, Ryde from 10.00am - 12.00pm on Monday 7 November 2022.

Topics covered during the session will include: developing savings, mortgage basics, dealing with debt, an overview of insurance and discussion on scams.

### COMBATING ILLEGAL DUMPING

The City of Ryde is a truly beautiful area and one that we want to keep pristine. However, unfortunately, illegal dumping of household items continues to be a problem across some parts of Ryde.

The City offers a pre-booked household clean-up service which can be used for the disposal of bulky unwanted household items. Before using the service though, it's worth thinking about whether your items might be too good to waste. The items might be worth donating to charity, selling online, recycling or mending.

To learn more about preventing illegal dumping or pre-booking services visit [www.ryde.nsw.gov.au/illegaldumping](http://www.ryde.nsw.gov.au/illegaldumping)

Sincerely,

Clr Jordan Lane
