

MAYOR'S COMMUNITY MESSAGE

Facts absent in TWT article

I am very concerned at the inaccurate claims made in last week's *The Weekly Times* on the Civic Centre. Council will be providing the facts in a media release and on the Council's website, for the benefit of ratepayers.

Learn to Swim

It is essential that every child learns to swim. Introducing your child to swimming early ensures they have the skill for their whole life.

The Ryde Aquatic Leisure Centre runs an award-winning year-round program of swim schools as well as a special four-day School Holiday Intensive clinic commencing in April. These classes will equip your child with the skills to keep them water safe, improve their overall physical wellbeing and boost their confidence. Bookings essential. For full details go to www.ryde.nsw.gov.au/ralc or phone 8878 5111.

Small Grants Program

Small community groups are invited to apply for grants under Council's Small Grants Program. The program is designed to help smaller community organisations with limited resources to respond to changing or unforeseen situations that fall outside of our annual Community Grants cycle. Funding for the program is capped at \$1,000 per grant application per year. For additional information go to www.ryde.nsw.gov.au/smallgrants

A big weekend

The cooler weather has heralded a great line-up of events this weekend, from free movies and a community kick-fest, to a lights festival. Come along and join in the fun.

BFG

As the sun goes down on Friday night, 17 March, our big inflatable movie screen with stereo sound will be up in Eastwood Plaza for a free screening of the hit movie *BFG* (Big Friendly Giant). This is a delightful fantasy adventure based on the Roald Dahl classic. Bring a blanket or low chair and gather your friends and family. For full details go to www.ryde.nsw.gov.au/cinema

Council is holding a community celebration on Saturday 18 March from 12noon to 1.00pm for the new synthetic field at the ELS Hall Park, North Ryde. There will be games, refreshments and prizes.

HAVE YOUR SAY

Feedback on events in our City

The City of Ryde is currently developing an *Events Strategy* which will provide direction on event planning and delivery within the City of Ryde. The strategy will cover events delivered by Council, as well as how Council can best assist community groups to deliver their own local events.

This is the second feedback phase and aims to obtain an in-depth view of how you interact with events in the City of Ryde area. Through the survey you will have an opportunity to tell us more about the events you currently attend and events you would like to see in the future. This information will be included in the development of the strategy and the local events program in the future.

Please allow around 15 minutes to complete the survey.
