West Ryde Easter Parade and Fair this Saturday

I hope to see you all this Saturday for the West Ryde Easter Parade and Fair.

There will be something for everyone at this year's event, with the traditional Easter Parade starting at 9.00am followed by a range of entertainment throughout the remainder of the day.

Market stalls will also be on hand with a range of international foods and information, as well as rides and games for the kids, while West Ryde Library will play host to a Hop In Story session as well as craft activities throughout the day.

Now in its 26th year, the West Ryde Easter Parade and Fair has become such an important event for the City of Ryde. Easter is such a special time for many people in the community so it is great that we can stage an annual event that brings people of all ages together to mark this special occasion.

Plenty on during these school holidays

With Easter upon us it also means that school holidays are just around the corner and here at the City of Ryde we have plenty that will keep kids entertained throughout the break.

Our Library service host some great activities during the break including story time sessions, kids engineering workshops and an Egyptian mummy-themed escape room that brings the ancient past back to life.

The City of Ryde will also be undertaking a school holiday guided walk on Wednesday 17 April through ELS Hall Park followed by a tree planting session at Greenwood Park.

More information on these and all other events that will be available during the April school holidays can be found at www.ryde.nsw.gov.au/schoolholidays.

Save the date for the skate park opening

A reminder to mark Saturday 27 April down in your diary for the official opening of the Meadowbank Outdoor Youth and Family Recreation Space (known to many as the Ryde Skate Park). This will be a fantastic day out in which the community can test their skills out on the first-class features of the new recreation facility, while also watch demonstrations by professional skaters or be involved in the skate comp.

The opening starts at midday with activities taking place until 4.00pm. More information can be found at www.ryde.nsw.gov.au/parklaunch.

Sincerely,

Clr Jerome Laxale Mayor
