

The Mayor, Councillors and community members come together to show their support for the Eastwood community.

Supporting Eastwood

The City of Ryde is putting its support behind Eastwood businesses.

Concerns within the community about the risks posed by the novel coronavirus have had a major impact on trade in the Eastwood town centre. What is normally a vibrant commercial strip, has been transformed into a ghost town.

A grassroots campaign has been launched to promote all the great restaurants, cafés and other businesses that Eastwood has to offer. I congratulate the Facebook group Humans of Eastwood for their initiative and I'm sure that Council will join in the campaign with something similar.

In the meantime, I would encourage everyone to return to Eastwood, grab a feed or do a spot of shopping and help out those who are currently doing it tough.

Please take a photo of you enjoying the wonderful food and drink and post to your social media using the #downadumpling or #eastwoodeats hashtags.

West Ryde Summer Series

Celebrate the last days of summer with the final instalment of the West Ryde Summer Series, which will take place from 4.00pm on Friday 21 February at West Ryde Plaza.

The West Ryde Summer Series is a trial event designed to activate the revamped West Ryde Plaza and has proven to be extremely popular with the community since it began in November.

As always, there will be live music from up and coming local artists, a pop-up bar and food truck serving up some tasty treats.
