

Winners of the 2019 Northern Districts Local Business Awards

**Recognising inclusion in local businesses**

The City of Ryde, Hunter’s Hill Council and Lane Cove Council have come together once again to offer the Inclusion Award at the upcoming Northern Districts Local Business Awards.

The Inclusion Award celebrates local businesses that welcome people of all backgrounds and abilities.

To be eligible for the award, businesses must operate in the Ryde, Hunters Hill or Lane Cove local government areas and demonstrate a commitment to creating a welcoming and inclusive environment for customers and staff. Nominations for the Inclusion Award close on Wednesday 30 September.

And a final reminder that voting for the remaining Local Business Awards close this week on Thursday 20 August.

For more information on the Northern Districts Local Business Awards visit [www.ryde.nsw.gov.au/businessawards](http://www.ryde.nsw.gov.au/businessawards).

**No Place Like Home exhibition**

Since the coronavirus (COVID-19) pandemic began, many of our favourite annual events have moved online to ensure the health and safety of everyone.

The latest event that will move to an online format is Link Housing’s annual ‘No Place Like Home’ community art exhibition.

The City of Ryde is a proud supporter of this exhibition, which is now in its fifth year and seeks to raise awareness about the need for safe, affordable and secure housing to help the most vulnerable people in our community.

The online exhibition will take place between 1 – 30 September and feature more than 60 artworks,

ranging from paintings, video art, poetry, sculptures and photographs that reflect the theme ‘No Place Like Home’.

For more information, including how to register for the free Zoom launch event at 11.00am on 1 September, visit

[www.ryde.nsw.gov.au/noplacelikehome](http://www.ryde.nsw.gov.au/noplacelikehome).

**Planning Ryde’s future**

Council has prepared a 20-year plan to ensure the City of Ryde continues to be liveable as it grows.

The *Planning Ryde Local Strategic Planning Statement 2020* will guide all future local planning priorities, decisions and actions, while outlining how Council will continue to deliver a high-quality lifestyle for everyone in the community.

It was developed following extensive community consultation undertaken throughout 2019.

To view this important piece of work visit [www.ryde.nsw.gov.au/lsp](http://www.ryde.nsw.gov.au/lsp).

**Rates relief**

A reminder that approved JobSeeker and JobKeeper applicants may defer rates payments until November and are eligible for a \$400 council rates rebate, as part of Council’s efforts to help those in the community undergoing financial hardship as a result of the coronavirus (COVID-19) pandemic.

Applications will be received and assessed up to Wednesday 30 September.

For more information and to apply visit [www.ryde.nsw.gov.au/ratesrelief](http://www.ryde.nsw.gov.au/ratesrelief).

Sincerely,

Clr Jerome Laxale  
Mayor

**LIBRARY NEWS**

**KNIT IN DIGITAL WRAP DISPLAY**

Since 2007 Ryde Library Service has actively supported the work of Wrap with Love, an organisation that supplies knitted or crocheted wraps within Australia or overseas. Our annual Knit In brings together knitters and crocheters from our library knitting groups as well as members of the community, and is the culmination of a year’s activity in sending wraps to Wrap with Love. This year, due to COVID-19, the usual Knit In and associated display of wraps will not take place, though our knitters and crocheters have been very hard at work during this period. We have put together a digital display of a selection of their work to amaze and inspire you, available on our website or in person at Ryde Library. [www.ryde.nsw.gov.au/knitin](http://www.ryde.nsw.gov.au/knitin)

**IMMERSIVE SCIENCE IV (SCIVR): SCIENCE CHAMPIONS**

The Universe is waiting to be discovered! From special global events using dozens of telescopes to daily monitoring of the radio sky in Australia, experience it through SciVR, an immersive astronomy experience enabled through virtual reality. Discover and learn about extreme and advanced space science and the research that fuels it; explore the origins of mysterious and energetic phenomena, tracking events as they occur. Learn about extreme and advanced space science and the research that fuels it. There are two sessions – one for adults, and a special presentation for families.
