City of Ryde Mayor, Clr Jerome Laxale, and Clr Bernard Purcell at 22 Argyle Avenue, Ryde

Council purchases property to expand Ryde Park

Council has purchased the property located at 22 Argyle Avenue, Ryde, as part of plans to further expand Ryde Park and enhance its entry and accessibility.

A proposal to make a bid to purchase the property was unanimously supported by Council with the owners subsequently accepting Council's bid.

The property is located adjacent to the existing entry point to Ryde Park from Argyle Avenue and provides Council with flexibility in how the land is utilised in the future.

Our community has consistently told us how important open space is to them. After expanding Blenheim Park, protecting Eastwood Oval and opening a new Kings Park in Denistone East, we will now expand Ryde Park to ensure it meets the needs of the community both for current and future generations.

As we develop a new masterplan for Ryde Park, I will be pushing for the property at 22 Argyle Avenue to be used in the interim as affordable housing or crisis accommodation for those in need.

Stay tuned.

Vale Peter Graham OAM

On behalf of all Councillors, I would like to pay tribute to former City of Ryde Mayor, Peter Graham OAM, who sadly passed away recently.

Peter was a beloved friend, leader and mentor to many within the community.

He served as an Alderman on the Ryde Municipal Council from 1971 until 1977 and then was elected as a West Ward Councillor from 1980 to 2004.

Peter was City of Ryde Mayor from 1997 to 1999 and was also Deputy Mayor on several occasions.

In 1993, he was awarded an OAM for services to local government, the Presbyterian Church and community health.

To honour Peter's fantastic contribution to the City of Ryde and local government, Council has resolved to name a public asset or place after Peter in the future.

Sporting field lights during lockdown

As the Greater Sydney lockdown continues, it is crucial that everyone in the community has the chance to stay active while ensuring they stay safe.

To help, Council continues to switch on the lights at popular sporting fields throughout the City of Ryde.

Since the start of this month, we have had to make some changes to the parks that operate under this scheme

To view the changes and see which parks now have lights in operation visit www.ryde.nsw.gov.au/lights

Sincerely,

Clr Jerome Laxale
Mayor
