

Ryde/Hunters Hill

# Free Cat and Dog Microchipping Service

City of Ryde is offering a free microchipping service for cats and dogs to Home Modification and Maintenance clients.

Having your animal microchipped ensures Council Rangers can easily identify and return stray or lost animals to their rightful owners.

Under State Legislation, all dogs and cats are to be microchipped and registered.

Owning animals is a two-step program:

**Step one** is microchipping and identifying your animal in the NSW Register.

**Step two** is Lifetime Registering them which is a once off payment to be made once the animal is 6 months of age.

## **Who is eligible?**

The free microchipping service is only available to City of Ryde Home Modification and Maintenance Service Clients.

All animals must be eight weeks or older.

## **What will it cost?**

This is a free service; a ranger will arrange a time to visit you at your convenience.

This service generally costs up to \$50.00 at any vet. Pet Registration fees still apply.

## **How do I book?**

Call our Customer Service Team on (02) 9952 8222 to submit a request with the Rangers Team. You will need to provide suitable times and information regarding your animal.

## **Contact details**
