# YOUTH INTERAGENCY SURVEY 2015

## CITY OF RYDE

PREPARED BY SUI FONG LI  
AUGUST 2015

# FINDINGS SUMMARY

## Talent & Passions

- Males who participated in this survey most commonly said Sports & Outdoors, Technology, Musical Arts and Enrichment Hobbies were their talents or passions
- Females who participated in this survey most commonly said Sports & Outdoors, Musical Arts, Performing Arts, Enrichment Hobbies, Visual Arts and Domestic Hobbies were their talents or passions
- Male talents or passions tend to be more concentrated in three of the top activities, while female talents and passions tend to be more spread. However, a smaller proportion of females claimed to be involved in their talents or passions, than their male counterparts

## Top Concerns

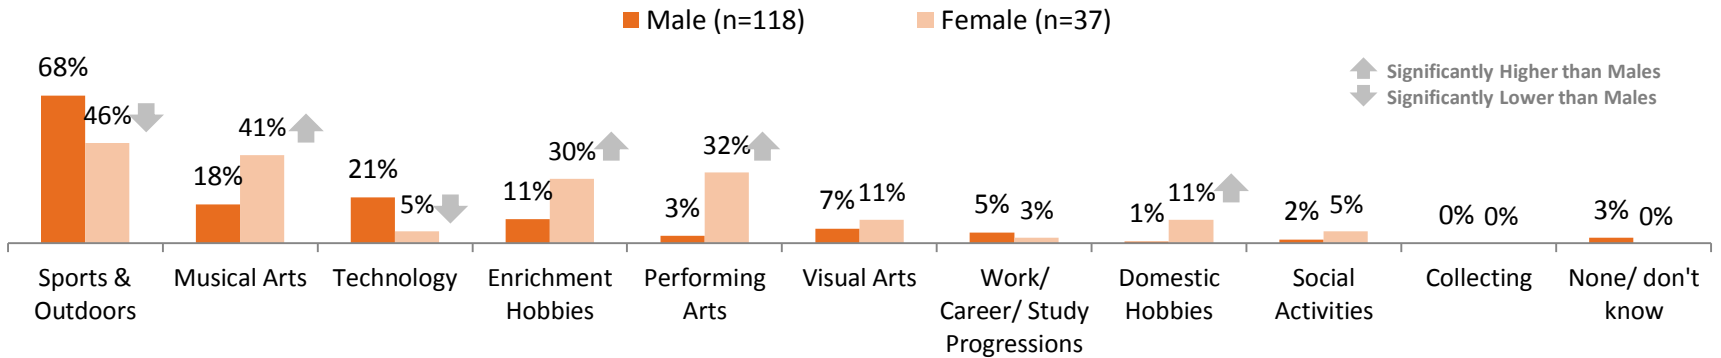

- Male top 5 things of concern were Drugs, Money, Education, Bullying, and Affordable Housing
- Female top 5 things of concern were Education, Bullying, Affordable Housing, Anxiety/ Depression, Health/ Body image
- Males were significantly more likely than females to highlight drugs as an issue of concern, while females were significantly more likely to mention health/ body image as a concern
- By age, younger survey participants (10 to 14 year olds) were more likely to be concerned about Money and Transport, than older 18 to 24 year olds – while older survey participants (18 to 24 year olds) were more likely to be concerned about anxiety/ depression and sexual wellbeing than younger survey participants

## Facilities Desired by Youth residing within the City of Ryde

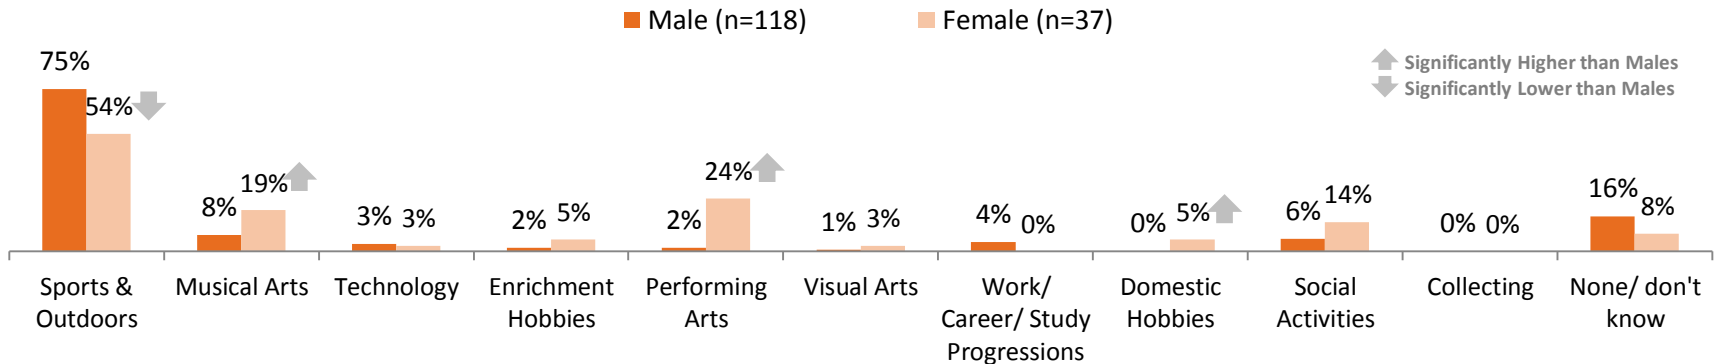

- Both male and female participants living within the City of Ryde agreed that the top three facilities they would like to see are Sports & Outdoor facilities, Youth Centre and Visual Arts
