Following extensive negotiations between Council staff and Coles, Council's public car park in addition to the Coles level, opened at 8.00am on Saturday, 7 December 2013.

To celebrate the opening of the car park, a community event between 10.00am and 1.00pm on Saturday, 14 December 2013 is proposed. This will include a free sausage sizzle and activities for children to mark the car park's opening. This event will be co-ordinated by Council with support and financial contribution from Coles.

I would like to welcome residents and the West Ryde business community to attend this event. The event will be advertised through the normal media channels including the Mayor's Community Message, website and social media.
