MOTION:

That the City of Ryde Council develop it's Friendship Agreements by committing to the two actions listed below:-

- (a) Develop a working party of interested Councillors and Korean community members to develop the commitment to the Friendship Agreement signed in 2019 between the City of Ryde and the City of Jongno-gu, Republic of Korea.
- (b) Identify other suitable local government area's from the Republic of China (Taiwan) to develop a friendship agreement after liaising with the Taipei Economic and Cultural Office, Sydney and the Australia Taiwan Business Council (ATBC). The identified local government areas in Taiwan will have a strong industry sector in technology and Smart City strategies, and the healthcare / pharmaceutical industries. These industry sectors will be expected to bring mutual benefit to both local government areas.
