Comments/Update

Update 3/02/2022: Preliminary investigations underway. Staff have sought quotations for the undertaking of a feasibility study and are exploring funding sources.

Update 08/07/2022 A report detailing the feasibility of a Upcycling, Re-purpose and Repair Centre for Ryde is under development. A report to Council

items either at no charge or a minimal charge.

(v)the report can assess if a minimum charge on ‘exchanged’ goods will assist towards the funding of the Centre and also availability of funding the Centre through an ‘education’ grant through any of the three tiers of government, also to review funding through a minimum charge to local schools / student who visit and learn about upcycling and repurposing of household items or other options to minimise the cost of the service.
