
**MM9/22 MEADOWBANK EDUCATION AND EMPLOYMENT
PRECINCT OPENING COMMUNICATIONS - Mayor,
Councillor Jordan Lane**

File Number: MYR/07/10/20 - BP22/238

The new Meadowbank Education and Employment Precinct is due to open on 26 April 2022. This major investment in education infrastructure will affect traffic and parking in the vicinity of the new schools.

Following discussions with representatives of the school community, it was agreed that Council could assist in improving awareness of traffic and parking rules, access to the schools and reducing the impacts on surrounding residents to ensure a safe environment for students, parents, teachers, and the broader City of Ryde community.

RECOMMENDATION:

That Council:-

- (a) Produce an education campaign to inform Meadowbank residents and the school community of:-
 - (i) Parking and traffic rules around schools
 - (ii) Tips for students to get to and from school safely
 - (iii) Key contacts to report future issues with parking and transport management.
- (b) Provide information in key community languages.
- (c) Share resources on the Meadowbank Education and Employment Precinct between Council's Road Safety Officer and Schools Infrastructure NSW's Project Travel Coordinator.
- (d) Fund the campaign from the Transport Base Budget.
