**PHOTO OPPORTUNITY**  
**“Growing” Origami Cranes at West Ryde Library**

To celebrate the coming of spring and the National Year of Reading, West Ryde Library is hosting a “growing” origami display.

Origami is the traditional Japanese art of paper folding that transforms a flat sheet of paper into a beautiful sculpture.

Anyone can pop into the library during the month of September to fold an origami crane and see the display multiply. Paper and instructions will be available.
