Community Information Expo 2013
Thursday 21 March, 10.00am – 1.00pm, Eastwood Plaza

Every year, the City of Ryde celebrates its diversity with the Community Information Expo.

More than fifty organisations are represented at the Expo which is a 'one-stop shop' where you can find information about a range of services from health care to education.

Representatives from the City of Ryde will also be on hand with information on all the additional community services provided by the Council.

The information is provided in community languages including English, Korean, Cantonese, Mandarin, Armenian, Dari and Farsi.

Many organisations and services will be represented, so come along and find out more about the services in your area and enjoy the free entertainment.
