NEW COUNCIL AND COMMITTEE MEETING CALENDAR

A new Council and Committee Meeting calendar comes into effect from October 2015.

This new meeting schedule sees a once-a-month meeting cycle for all Standing Committees and Council Meetings, new starting times and the formation of a new Finance and Governance Committee.

New Meeting Monthly Schedule (Commences October 2015)	Meeting Time	Occurrence
Planning & Environment Committee Meeting Ryde Civic Hub Committee Meeting	5.00pm 6.00pm	2 nd Tuesday of the month
Works and Community Committee Meeting Finance and Governance Committee	5.00pm 6.00pm	3 rd Tuesday of the month
Council Meeting	7.00pm	4 th Tuesday of the month

One of the considerations in changing Meeting Times is to make it easier and more convenient for members of the community to attend meetings and to engage in two-way conversations with Councillors. The one-a-month format also conforms to industry best practise.

Members of the community are welcome to observe any Committee or Council meeting. If you wish to speak at a Committee or Council Meeting you can register online, or complete the 'Request to Address' form on Council's website. Meeting Guidelines can also be viewed at www.ryde.nsw.gov.au/councilmeetings.

Full details of the new Meeting Schedule, Meeting Procedures and Meeting Agenda are posted on the Council website at www.ryde.nsw.gov.au/council.
