The rate calculated or set must be expressed as a percentage rate per annum and be rounded up to the nearest fourth decimal place.

The Council may calculate a rate under paragraph (a) or (b) before 11:00 am on the Due Date, but if the average bid rate appears on the "BBSY" page by 11:00 am and there is no obvious error in it, the "BBSY" page rate applies as the **Bank Bill Rate** under this Deed despite any calculation by the Council under paragraph (a) or (b).

- (c) All Costs, charges, duties and Taxes payable in connection with the Cash Deposit Account or interest accruing on moneys credited to the Cash Deposit Account may be satisfied by the Council withdrawing money from the Cash Deposit Account and applying the money for that purpose.
- (d) If no moneys are, or may become, payable to the Council under this Deed in connection with the obligations under this Deed secured by the relevant Bank Guarantee and the Developer has satisfied all of its obligations under this Deed which were secured by the relevant Bank Guarantee, the Council must pay the balance of the Cash Deposit Account, less all Costs, charges, duties and Taxes payable in connection with such payment, to the Developer.
- (e) For the avoidance of doubt, the Developer has no right to require the Council to release the Cash Deposit until the Council is reasonably satisfied that no moneys are, or may become, payable to the Council under this Deed in relation to obligations secured by the relevant Bank Guarantee.

### 1.5 Release of Cash Deposit

The Council must release the Cash Deposit to the Developer if the Developer provides the Council with a replacement Bank Guarantee complying with the requirements of clause 1.3(a) of this Schedule.

## 1.6 Claims under Bank Guarantees

- (a) The Developer agrees that the Council may, after giving at least 10 Business Days prior written notice to the Developer, make claims (in full or in part):
- (i) under the Monetary Contribution Guarantee provided by the Developer, in the event that the Developer breaches its obligation to pay the Monetary Contribution in accordance with this Deed; or
  - (ii) under the Contribution Works Guarantee provided by the Developer in the event that:
    - (A) the Developer breaches its obligations to pay any Additional Monetary Contribution in accordance with this Deed; or
    - (B) the Developer breaches its obligation to carry out and complete any of the Contribution Works in accordance with this Deed; or
    - (C) the Developer breaches its obligation to transfer the Contribution Land in accordance with this Deed; or
    - (D) the Developer breaches its obligation to rectify defects in or maintain any Contribution Works in accordance with Schedule 4, and
- a notice has been issued by Council requiring the Developer to remedy the breach in accordance with the requirements of Schedule 6, and the breach remains unremedied following the expiry of the rectification period specified in that notice.
- (b) The Council may retain and use any money it has obtained by making a claim under this clause in its discretion to compensate the Council for the Developer's breach of those obligations.

## 1.7 No limitation of obligations

The provision of the Bank Guarantees do not:

- (a) relieve the Developer from any of its obligations under any other provision of this Deed; or
- (b) limit the right of the Council to recover from the Developer in full all money payable to the Council under this Deed, including without limitation, interest on any such amounts or damages or other losses incurred by the Council.

## 1.8 Release of Monetary Contribution Guarantee

The Monetary Contribution Guarantee will be released by Council to the Developer within 10 Business Days after the Monetary Contribution has been paid.

## 1.9 Replacement Contribution Works Guarantee

- (a) The Parties agree that the Contribution Works Guarantee will be a rolling Bank Guarantee and will apply to the Contribution Works in each stage of the Development.
- (b) If the Council claims under the Contribution Works Guarantee, in accordance with clause 1.6 of this Schedule, the Developer must provide a replacement Bank

Guarantee in the same amount to the Council within 10 Business Days of receiving notice from the Council that the claim has been made.

#### **1.10 Reduction and Release of the Contribution Works Guarantee**

- (a) The Developer may by written notice to the Council, upon Practical Completion of the final Contribution Works, request a reduction of the Contribution Works Guarantee.
- (b) If Council (acting reasonably) is satisfied that the relevant Contribution Works have achieved Practical Completion, then the Council must release to the Developer 90% of the Contribution Works Guarantee.
- (c) The Developer acknowledges and agrees that, to secure the Developer's obligations during the Defects Liability Period for each of the Contribution Works, 10% of the Contribution Works Guarantee will be retained by Council on Practical Completion of the final Contribution Works.
- (d) For the purposes of achieving the retention of 10% of the Contribution Works Guarantee in accordance with clause 1.10(c) of this Schedule, the Developer must, if necessary, provide a replacement Bank Guarantee to the Council, after which the Council will release the Contribution Works Guarantee.
- (e) The Contribution Works Guarantee (as adjusted in accordance with this clause) will be released by Council to the Developer at the end of any Defects Liability Period, subject to any rectification works being required during that period being completed.

---

#### **2. Restriction on issue of Certificates**

- (a) For the purposes of section 6.10 of the EP&A Act and any associated regulations (or if the Former Building and Subdivision Provisions apply, 109J(1)(c1) of the EP&A Act) an Occupation Certificate must not be issued for any Building unless the obligations to deliver Contribution Works and dedicate Contribution Land that, in accordance with Schedule 3, must be satisfied prior to the issue of an Occupation Certificate for that Building have been completed to the satisfaction of Council.
- (b) For the purposes of sections 6.8 and 6.10 of the EP&A Act and any associated regulations (or if the Former Building and Subdivision Provisions apply, section 109F and section 109J(1)(c1) of the EP&A Act, and clause 146A of the EP&A Regulation), prior to the issue of any Construction Certificate or Occupation Certificate for the Development, the Developer must satisfy the certifier that any Bank Guarantees required under clause 1 of this Schedule have been provided to the Council and have been adjusted as required.

## Schedule 11 - Assignment and Dealing

---

### 1.1 Developer's proposed assignment of rights

- (a) Unless the matters specified in clause 1.1(b) of this Schedule are satisfied, the Developer is not to assign or novate to any person their rights or uncompleted obligations under this Deed.
- (b) The Developer must not assign or novate to any person its rights or uncompleted obligations under this Deed unless the prior written consent of Council is obtained. The Council must not unreasonably withhold its consent in circumstances where the following matters have been satisfied:
  - (i) the Developer has, at no cost to the Council, first procured the execution by the person to whom the rights or uncompleted obligations under this Deed are to be assigned or novated (**incoming party**), of a deed in favour of the Council in the form similar to Schedule 13, completed in a manner satisfactory to the Council. Such deed includes covenants that the incoming party:
    - A. will perform the relevant obligations of the Developer under this Deed; and
    - B. is bound by the terms and conditions of this Deed as if the incoming party had executed the Deed;
  - (ii) the Developer is not in breach of this Deed with respect to the relevant part of the Land in case of an assignment or novation of and interest in part of the Land only, unless the breach is waived by the Council;
  - (iii) the incoming party provides to the satisfaction of Council (acting reasonably) a Bank Guarantee and any other documents required under Schedule 10 to secure the outstanding obligations under this Deed;
  - (iv) the incoming party provides to the satisfaction of Council (acting reasonably) copies of insurances or any other documents required under this Deed for the carrying out of any outstanding Contribution Works; and
  - (v) the Developer and the incoming party pay Council's reasonable costs in relation to the novation deed and assignment.

### 1.2 Right of Developer to sell Land

- (a) The Developer must not sell or transfer the whole or any part of the Land or any of its interest in the Land (and must procure that the whole or any part of the Land is not sold or transferred) unless before any such sale, transfer or disposal of any such part of the Land or such part of the interest in the Land to another person (**Transferee**) the Developer obtains Council's prior written consent. The Council must not unreasonably withhold its consent in circumstances where the requirements specified in clause 1.1(b) of this Schedule are satisfied.
- (b) This clause does not apply to the transfer of any part of the Land, in respect of which the Council has provided a release and discharge of this Deed in accordance with Schedule 9.

### 1.3 Council's Costs

The Developer must pay to the Council (or reimburse the Council on demand) for all reasonable Costs and Legal Costs incurred by the Council in connection with any assignment or dealing proposed under clauses 1.1 or 1.2 of this Schedule.

**1.4 Council's assignment of rights**

Council may assign its rights under this Deed to any successor in title.

**1.5 Council to act promptly**

The Council must act promptly in dealing with any application made by the Developer in respect of any proposed assignment or dealing proposed under clauses 1.1 or 1.2 of this Schedule.

## Schedule 12 – General Provisions

---

### 1.1 Approvals and Consent

Except as otherwise set out in this Deed, and subject to any statutory obligations, a Party will not unreasonably withhold an approval or consent to be given under this Deed but may give its approval or consent subject to any conditions reasonably determined by that Party.

### 1.2 Costs

- (a) Unless otherwise specified in this Deed, Council's reasonable Costs and Legal Costs relating to this Deed are to be borne by the Developer and are payable on demand.
- (b) Without limiting clause 1.2(a) of this Schedule, the Developer agrees to pay or reimburse the Council on demand for:
  - (i) Costs and Legal Costs of the Council reasonably incurred in connection with:
    - A. the drafting, negotiating, execution and registration of this Deed, including the cost of any legal advice obtained in connection with the drafting, negotiation, execution or registration of this Deed;
    - B. exercising, enforcing or preserving, or attempting to exercise, enforce or preserve, rights under this Deed, including in connection with the Developer default; and
    - C. any waiver, variation, release or discharge of this Deed; and
  - (ii) Taxes and fees (including, without limitation, registration fees and stamp duty) and fines and penalties in respect of fees which may be payable or determined to be payable in connection with this Deed or a payment or receipt or any transaction contemplated by this Deed.

### 1.3 Effect of terms and conditions in Schedules and Annexures

The Parties agree to comply with the terms and conditions contained in the Schedules and Annexures as if those terms and conditions were expressly set out in full in the operative parts of this Deed.

### 1.4 Entire agreement

To the extent permitted by law, in relation to its subject matter only, this Deed:

- (a) embodies the entire understanding of the Parties, and constitutes the entire terms agreed by the Parties; and
- (b) supersedes any prior written or other agreement of the Parties.

### 1.5 Further acts

Each Party must promptly execute all documents and do all things that another Party from time to time reasonably requests to effect, perfect or complete this Deed and all transactions incidental to it.

## 1.6 Governing Law and jurisdiction

This Deed is governed by the law of New South Wales. The Parties submit to the non-exclusive jurisdiction of its courts and courts of appeal from them. The Parties will not object to the exercise of jurisdiction by those courts on any basis.

## 1.7 Enforcement

- (a) This Deed may be enforced by any Party in any court of competent jurisdiction.
- (b) For the avoidance of doubt, nothing in this Deed prevents:
  - (i) a Party from bringing proceedings in the Court to enforce any aspect of this Deed or any matter to which this Deed relates; and
  - (ii) an Authority or the Council from exercising any function under the EP&A Act or any other Law relating to the enforcement of any aspect of this Deed or any matter to which this Deed relates.

## 1.8 No fetter

Nothing in this Deed is to be construed as requiring an Authority (including the Council) to do anything that would cause it to be in breach of any of its obligations at Law, and without limitation:

- (a) nothing in this Deed is to be construed as limiting or fettering in any way the exercise of any statutory discretion or duty; and
- (b) nothing in this Deed imposes any obligation on an Authority to:
  - (i) grant any Development Consent; or
  - (ii) exercise any function or power under the EP&A Act in relation to a change, or a proposed change, in an environmental planning instrument.

## 1.9 Representations and warranties

- (a) Each Party individually represents and warrants that:
  - (i) **(power)** it has power to enter into this Deed and comply with its obligations under the Deed;
  - (ii) **(no contravention or exceeding power)** this Deed does not contravene its constituent documents (if any) or any law or obligation by which it is bound or to which any of its assets are subject, or cause a limitation on its powers or the powers of its officers to be exceeded;
  - (iii) **(authorisations)** it has in full force and effect the authorisations necessary for it to enter into this Deed, to comply with its obligations and exercise its rights under this Deed and to allow this Deed to be enforced;
  - (iv) **(validity of obligations)** its obligations under this Deed are valid and binding and are enforceable against it in accordance with the terms of the Deed;
  - (v) **(no immunity)** it does not have immunity from the jurisdiction of a court or from legal process; and

- (vi) **(benefit)** it benefits by entering into this Deed to which it is a Party.
- (b) Each Party acknowledges that each other Party has entered into this Deed in reliance on the representations and warranties in this this clause.

**1.10 Severability**

- (a) If a clause or part of a clause of this Deed can be read in a way that makes it illegal, unenforceable or invalid, but can also be read in a way that makes it legal, enforceable and valid, it must be read in the latter way.
- (b) If any clause or part of a clause is illegal, unenforceable or invalid, that clause or part is to be treated as removed from this Deed, but the rest of this Deed is not affected.

**1.11 Modification**

No modification of this Deed will be of any force or effect unless it is in writing and signed by the Parties as a Deed.

**1.12 Waiver**

- (a) The fact that a Party fails to do, or delays in doing, something the Party is entitled to do under this Deed, does not amount to a waiver of any obligation of, or a breach of obligation by, another Party.
- (b) A waiver by a Party is only effective if it is in writing.
- (c) A written waiver by a Party is only effective in relation to the particular obligation or breach in respect of which it is given. It is not to be taken as an implied waiver of any other obligation or breach or as an implied waiver of that obligation or breach in relation to any other occasion.

**1.13 Confidentiality**

The Parties agree that the terms of this Deed are not confidential and this Deed may be treated as a public Deed and exhibited or reported without restriction by any Party.

**1.14 Release and indemnity**

- (a) The Developer agrees that the obligation to provide the Contributions is at the risk of the Developer. The Developer releases the Council from any Claim, liability or loss arising from, and Costs and Legal Costs incurred in connection with, the Developer's obligation to provide the Contributions.
- (b) The Developer indemnifies the Council against all liabilities or loss arising from, and any Costs and Legal Costs reasonably incurred in connection with the Council reasonably enforcing the Developer's obligation to provide the Contributions in accordance with this Deed and/or the Council reasonably exercising the Council's rights under or by virtue of this Deed, provided that the Council takes any reasonable action to mitigate the costs incurred and the indemnity excludes any Costs or Legal Costs arising due to the negligence of Council.
- (c) The indemnity in clause 1.14(b) of this Schedule is a continuing obligation, independent of the Developer's other obligations under this Deed and continues after this Deed ends.

- (d) It is not necessary for a Party to incur expense or to make any payment before enforcing a right of indemnity conferred by this clause.
- (e) A Party must pay on demand any amount it must pay under an indemnity in this clause.
