

# Household CleanUp

## TERMS AND CONDITIONS

1. No items shall be placed on the nature strip without a Household CleanUp booking
2. Items must be placed on the nature strip no earlier or later than 1 day before the booked Household CleanUp collection date
3. Booking cancellations must be reported to Council two business days prior to your CleanUp Booking. You can phone Council on 9952 8222 or email [cleanup@ryde.nsw.gov.au](mailto:cleanup@ryde.nsw.gov.au)
4. Items placed on the nature strip without a booking or placed out too early will be investigated as illegal dumping. Offenders can be fined \$2,000.00 under the Protection of the Environment Operations Act, 1997
5. All materials placed out for Household CleanUp must not exceed a combined volume of 1.5 cubic metres, unless otherwise specified at time of booking
6. All items placed out for collection must be accepted and compliant CleanUp items, as listed in Table 1: Accepted and Not Accepted Household CleanUp Items with Conditions
7. All items deemed non-compliant that are not collected by the Waste Contractor must be disposed of responsibly at the residents' expense
8. The fluorescent yellow 'Pre-Booked Household CleanUp' sticker is to be placed on the CleanUp pile facing the road. The sticker is sent to residents via standard post
9. Items must be placed on the nature strip so they can be easily accessed by the waste collection truck, unless otherwise arranged with Council. No items will be collected from private property or from an area considered unsafe by the Waste Contractor
10. Small, loose items must be contained in a box or bag. Small, loose items left on the nature strip after collection must be removed by the resident
11. Items placed out for CleanUp must be no longer than 2 metres (1.5 metres for garden organics) in length and able to be lifted by two people
12. Items placed out for CleanUp must not pose a health and safety risk to pedestrians or the Waste Contractors, and must be:
  - a. Free from sharp objects such as spikes, thorns, nails and tacks;
  - b. Bundled and tied, including garden organics, fence palings, carpet and linoleum;
  - c. Presented in a manner where children are not at risk, including doors removed from objects such as fridges and dryers;
  - d. Placed in a manner that does not obstruct the footpath.
13. Items placed out for CleanUp are to be separated into piles of metals, garden organics and general waste items to assist with the recycling process
14. Items placed out for CleanUp must be presented neatly on the nature strip
15. The Waste Contractor may refuse collection if a CleanUp pile is deemed untidy or non-compliant
16. Residents living in a unit complex that have a shared bin service must:
  - a. Access Household CleanUp collections via a booking made by their Managing Body;
  - b. Abide by Council terms and conditions and also those stipulated by their Managing Body;
  - c. A Managing Body may include but is not limited to a Strata Manager, Executive Committee, Body Corporate, Secretary or other designated person.
