

Every day is neighbour day

Connected people connect communities

G'day from Neighbour Day...

Knowing your neighbours, and your broader community, has never been more important. Relationships Australia as the home of Neighbour Day believes in the power of the Australian community to support its most vulnerable, to tackle loneliness, and to work together to ensure healthy and safe relationships throughout the pandemic, and beyond.

This sign is to help highlight the Neighbour Day 2021 theme: Every day is neighbour day. Neighbours matter (whether near, far, or online), and now, more than ever, is the time to find creative connections and to stay connected.

We are asking everyone to reach out and to highlight the importance of social connection.

Connected people connect communities.

It would be very neighbourly if you could...

1. **GRAB** this sign and find somewhere you'd like to stand, and if an organisation, you may want your signage visible.
2. **GET** someone to take a photo of you (and maybe some colleagues/friends/neighbours) holding the sign.
3. **SEND** the picture by e-mail to information@neighbourday.org so that we can share it on our social media channels!

Feel free to share your image through your own networks - but make sure to tag us.
