- NO

SECTION D - Certification
I have read the attached Conditions (16) and hereby agree to abide by them.

Applicant’s Name (Please Print): ____________________________________________

Signature: _____________________________ Date: ____/____/_____
CONDITIONS

1. Adequate vehicular traffic control shall be provided for the protection and convenience of pedestrians and motorists including appropriate signage and flagging. Workers shall be specially designated for this role, as necessary to comply with this condition. This is to be carried out in accordance with the Australian Standard AS 1742.3 – Traffic Control Devices for works on roads and Work Cover requirements.

2. Traffic Control Plans/Traffic Management Plans for the proposed work must be prepared by a person in possession of a current “Select/Modify Traffic Plans” qualification or higher and copy of the qualification must be attached with the application.

3. All the fees and charges must be paid at the time of lodgement of this application. If during assessment it is determined that insufficient fee has been paid, the applicant shall make the additional payment prior to release of any approval.

4. An INTERIM PERMIT will be issued for approved applications, until sign off by an Authorised Officer under the Roads Act 1993. The applicant agrees to abide by any additional requirements of the Authorised Officer.

5. At least 6.0 metres width of roadway adjacent to the site shall be left open for two way traffic. Please note that full closure of the road will NOT be allowed. This will require consideration by the Ryde Traffic Committee and approval by Council. This may take 8-12 weeks.

6. Booms shall not operate over pedestrian or vehicular traffic without approved overhead protection. All applications are to advise if there is any overhead work proposed across the footpath area.

7. Appropriate signs and barricades shall be erected to direct pedestrians to an alternate safe passage around a closed section of the public footpath where the public footpath is required to be closed under this approval.

8. The emergency vehicles travelling under lights and sirens are to be given priority and delay to these vehicles actively minimised.

9. The holder of this licence shall maintain safe clearance between workers and vehicles in the adjacent travel lane.

10. The residents/office access in the area affected by the traffic control setup shall be maintained at all times.

11. The holder of this approval shall indemnify the Council against all claims, damages and costs incurred by or charges made against Council in respect to death or injury to any person or damage in any way arising out of this approval.

12. A public liability insurance policy for an amount not less than $20,000,000 for any one occurrence shall be held in joint names including Council as an interested party. The holder of this approval shall inform its liability insurers of the terms of this condition and submit a copy of liability insurance prior to commencement of work.

13. The operator of any unit carrying out this approval shall have this approval with them and produce it if required along with any other relevant authority approvals granted in the connection with this approval upon request of the Police or Council Officer and Work Cover.

14. Mobile cranes, cherry pickers or concrete boom pumps shall not stand within the public way for extended periods when not in operation under this approval.

15. The operation of the mobile crane shall not give rise to an “offensive noise” as defined in the Protection of Environment Operations Act, 1997. Furthermore, vibrations and/or emission of gases that are created during its operations and which are a nuisance, or dangerous to public health are not permitted.

16. The cost to repair damages, as a result of these works, to Council’s footway and roadway area shall be borne by the applicant.

30/6/2019
**APPLICATION FOR PLACEMENT OF AN ELEVATED TOWER, CRANE OR CONCRETE PUMP ON COUNCIL ROAD/FOOTPATH**  
(FORM RAP 1.4)

About this form
Use this form to apply for approval to place an Elevated Tower, Crane or Concrete Pump on Council roads/footpaths. Applications must be lodged 5 working days prior to commencement with relevant fees.  
*Note - permits will be emailed or posted to the applicant upon approval.*

**PART 1 : APPLICANT DETAILS**  
The applicant is the person lodging the form and the only person the City will communicate with.

PART 3: TERMS AND CONDITIONS

SAFETY PROVISIONS
A Traffic Control Plan is to be provided to Council a minimum of 5 days before date of commencement. The Traffic Control Plan shall provide the Certificate Number and Expiry Date of their Accreditation.
If proposing to close a road, or a major traffic disruption is expected, Council’s Traffic Engineers will need to be consulted and the application therefore will require further assessment time.

HOURS OF OPERATION
Details are to be provided to Council indicating hours of operation required.
Normal operating hours are 7:00am to 6:00pm Monday to Friday and 8:00am to 6:00pm on Saturday. For work outside these hours, specific approval is required.

FEES
Traffic Control Plan (TCP) assessment fee $162
Crane Permit fee is $264 per day
Late fee for Crane is additional $264
Concrete Pump or Elevated Tower Permit fee is $317 per day. An additional fee of $317 is required for late applications.
In addition, if the elevated tower, crane or concrete pump is located within a metered parking area or a restricted parking area, you will need a Work Zone Permit as a Road Use Permit will not change these conditions. No refunds will be issued for non-use on any particular day.

SITING
Consideration shall be given to ensure sight lines to vehicles entering a public road and using a public road are not unreasonably obstructed. The Elevated Tower, Crane or Concrete Pump must not obstruct the view of traffic lights by motorists or pedestrians.

PUBLIC LIABILITY
Arrangements must be made for a minimum of $20 million Public Liability. Where approval has been given for the standing of an elevated tower, crane or concrete pump, the holder of the approval shall indemnify and keep indemnified the City of Ryde against all claims, demands, suits, actions, damages and costs incurred by or made against Council in respect of death or injury to any person, or damage to any property of a person whatsoever in any way arising out of this approval. A copy of this Insurance is to be provided to Council upon application.

OTHER APPROVALS
Approval from the Local Police in all cases and from the RTA for works on or near State and Regional Roads is required prior to lodgement with Council.

INTERIM PERMIT
An interim permit will be issued for approved applications, until sign off by an Authorised Officer under the Roads Act 1993. The applicant agrees to abide by any additional requirements of the Authorised Officer.

PART 4: DECLARATION

☐ I agree to comply with Council’s Terms and Conditions as set out in part 3
☐ I agree to pay Council for any damages caused to footpaths, kerbs and gutter, landscaping or services in the placement or removal of the elevated tower
☐ I have attached a copy of a valid Work Zone or Road Use Permit (if not you will need to apply for one with this application)
☐ I have attached a copy of Public Liability Insurance
☐ I have attached a copy of Police Approval (applicable if affecting a trafficable lane)
☐ Traffic Control Plan prepared and copy attached (when placed on a road or overhanging the road)
☐ RMS Approval obtained (for sites on or near State or regional Roads)
