### About this form

Use this form to request new/additional bins or make changes to your residential multi-unit dwelling waste service. Council has 3 different services available: Garbage, Recycling and Green Waste. Please note that units with a bin bay area will have a shared bin service of 240L garbage (standard waste service rate applies per unit). Only the Managing Body (e.g. Strata Manager or Body Corporate) of multi-unit complexes that share a bin service may request changes as bins are subject to applicable fees as per Council's fees and charges.
