

Public Notice Christie Park Upgrade

As part of the City of Ryde's ongoing commitment to sport and recreation facilities, Council has prepared a masterplan for Christie Park. This masterplan provides a vision for Christie Park, with multiple synthetic surfaces, a larger carpark, central grandstand and futsal centre. These facilities will provide high quality, all weather recreation opportunities for the growing population within the City.

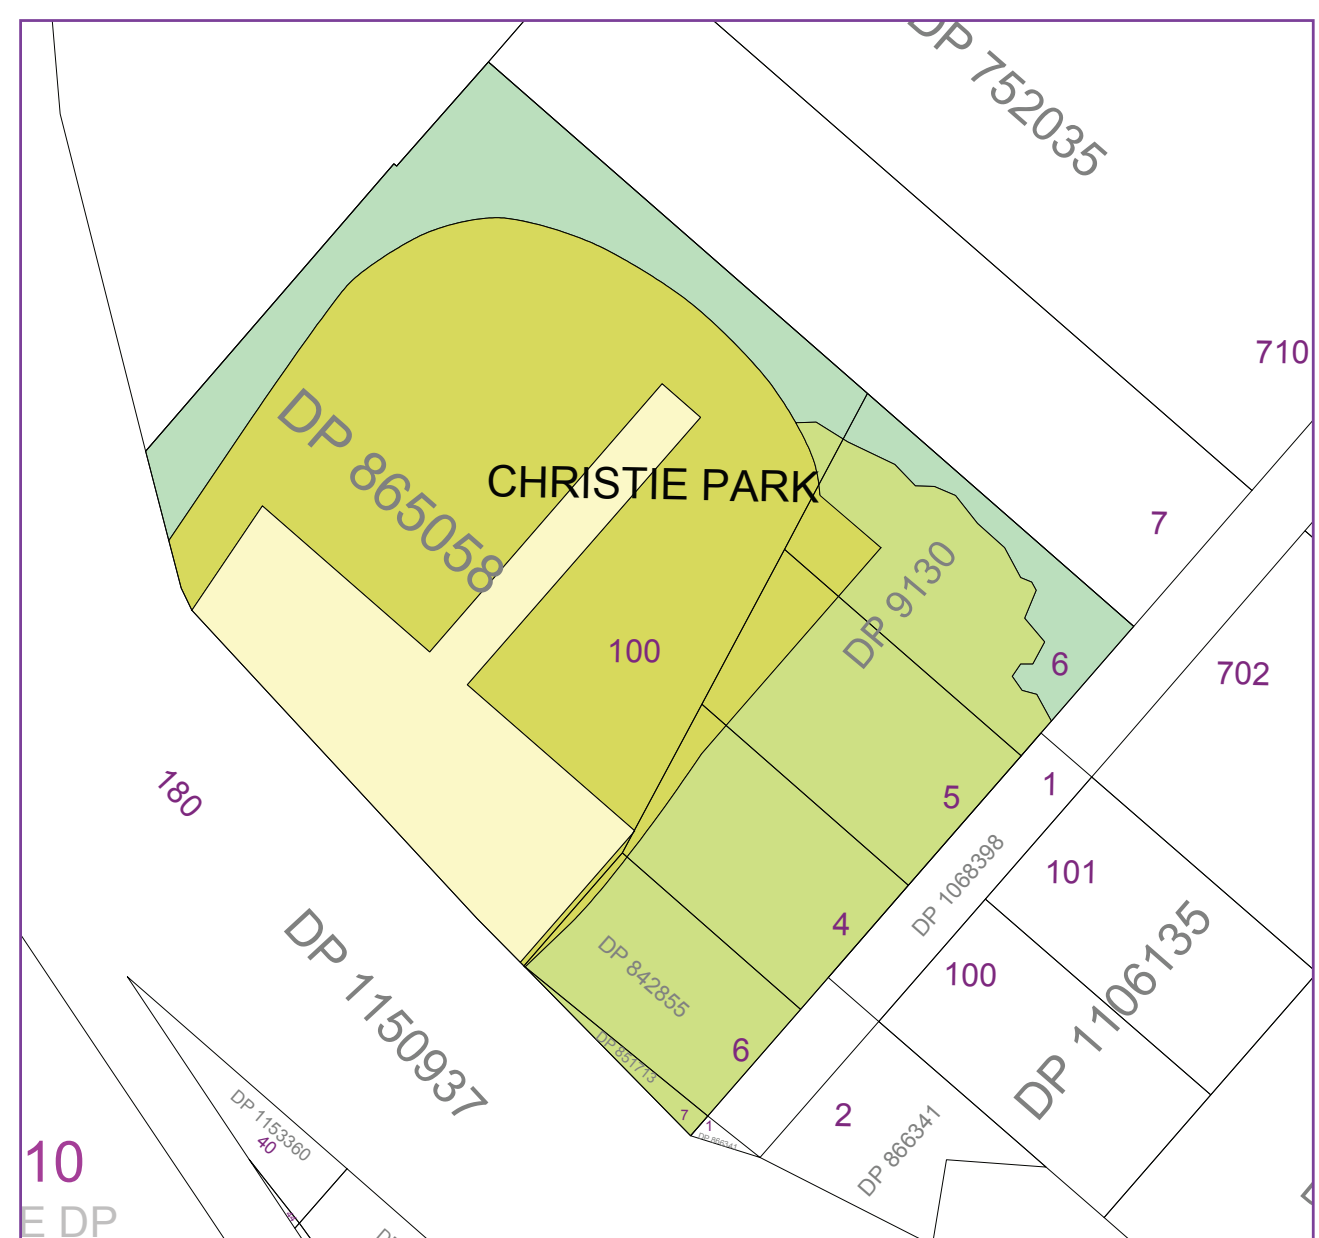

To carry out this masterplan, Council needs to amend the land categorisation of Christie Park as per the maps below to allow these upgrades to occur.
