## **INTERNATIONAL WOMENS DAY ART PRIZE EXHIBITION**

The City of Ryde is proud to sponsor the 2012 International Womens Day art prize exhibition on Thursday 8 March at Brush Farm House.

An initiative of the Council's Status of Women Advisory Committee, the exhibition provides a forum to bring the local community together in recognising the significant contribution made by women and the vibrancy of the local artistic community.

The exhibition seeks art works celebrating the empowerment and resilience of women in the local area and is open to women and male artists with women and girls especially encouraged to submit their artworks.

All submitting artists should either live, work or study within the Ryde local government area.

Entry forms will be available online late January 2012 from [www.ryde.nsw.gov.au](http://www.ryde.nsw.gov.au)
