## **EASTWOOD CINEMA IN THE PLAZA SUCCESS**

The City of Ryde's first *Cinema in the Plaza* at Eastwood was a resounding success with over 400 movie-goers enjoying a free screening of *Gulliver's Travels* starring Jack Black

City of Ryde Events Manager, Derek McCarthy, said: ""Eastwood Plaza is a perfect location for an outdoor cinema and locals gave it the thumbs up.

"The friendly atmosphere, picturesque harbour setting, great restaurants and easy accessibility all lend themselves to a great night out for the family."

The 300 seats provided by the Council were quickly taken up by early arrivals and locals who brought their own chairs spilled out onto the plaza adding to the relaxed atmosphere.

"We'll be looking at including Eastwood Plaza as part of our summer outdoor movie festival next year," Mr. McCarthy said.
