## **JUNIOR DISCOVERER'S CLUB STARTS WITH A BANG**

Is your child a scientist in the making? Find out when the **Little Bang Discover Club** comes to West Ryde Library in June.

The **Little Bang Discovery Club** is very 'exclusive' and limited to just 20 junior discoverers aged 3 to 5 years (plus their adult assistants).

Presented by educators from the Children's Discovery Museum and coordinated by Ryde Library Services, the Club will introduce your junior scientist to the excitement of discovery and learning, through hands-on, fun activities, including *Collecting and Observing*, *Measuring and Recording*, *Experimenting* and a *Science Fair*.

**Little Bang Discovery Club**      Tuesday 3, 10, 17, 24 June, 11.00 am – 12noon  
West Ryde Library, 2 Graf Avenue, West Ryde

Pick up an entry form from any of our five library branches.

Membership is limited to the first 20 people to pay the \$22.50 workshop fee, so be quick.
