MAKE IT HAPPEN WOMEN'S ART PRIZE ANNOUNCED

The annual City of Ryde Women's Art Prize was announced this week at an International Day Women's Forum.

The Women's Art Prize, now in its fifth year, invites artists and members of the community to submit works inspired by the theme MAKE IT HAPPEN.

Curator, Cassandra Hard Lawrie, said the exhibition is gaining a reputation as one of the most important art prizes for women in the state. "Last year we had a record 104 works on exhibition chosen from a total of 200 pieces. We hope that the MAKE IT HAPPEN theme inspires even more interest."

The Women's Art Prize offers five categories (Open, Community, Youth, Local Artist and Peoples' Choice) with a total prize pool of \$3,250. Applications close 11 May. The exhibition runs from 28 May – 13 June. More details at www.ryde.nsw.gov.au/wap
