DEALING WITH THE MEDIA

1. All media enquiries should be directed to the Media Officer.
2. Council staff must not speak to the media about matters related to Council unless authorised to do so.
3. Council employees may not provide any comment or information to the media with the intention of contesting or undermining Council policy or casting Council, Councillors or Council staff in a negative light.
4. Council employees may speak to the media or write Letters to the Editor as private individuals with the following restrictions:
 - a) They do not comment on Council business or policy;
 - b) They are not identified as Council employees;
 - c) Their comments are not perceived as representing official Council position or policy.
5. From time to time it may be necessary for a Letter to the Editor to be written as an official Council communication to inform the community about a particular matter. Such letters must be issued through the Media Officer subject to the approval of the Mayor and/or General Manager.
6. In the event of an industrial dispute (or an incident likely to lead to an industrial dispute), statements on behalf of Council employees should be issued via the relevant union.
7. When appropriate a member of Council staff may become the sole spokesperson on a specific issue, event or initiative within their operational portfolio, to ensure consistency of message.

8. Council staff should treat all media outlets equally and should avoid giving one outlet preferential treatment. Media releases should be distributed to all media outlets at the same time.
9. When a media organisation or representative requests information on a specific topic, the response must be provided exclusively to that organisation or representative.
10. Council staff should avoid providing information "off the record" during media interviews. It is best to assume that everything said to any media representative may appear in a news story.
11. Contractors or service providers employed by Council must refer all media enquiries relating to Council to the Media Officer.

COUNCILLORS AND THE MEDIA

1. Every Councillor has a right to express a private opinion on any issue, whether or not that opinion reflects Council's official position, but Councillors must carefully identify the role in which they speak or write.
2. Whenever Councillors publicly express their own opinions they must make it clear they are speaking for themselves, unless delegated by the mayor, and not for Council, unless they are supporting a Council position.
3. When Councillors speak "for the Council" when delegated by the Mayor, they must express and support Council's entire policy on the issue at hand.

MEDIA RELEASES

1. Staff may prepare draft media releases but they must be forwarded to the Media Officer for editing, formatting and distribution to ensure they maintain Council style and look.
2. City of Ryde media releases should never be issued without the Media Officer's knowledge and the prior approval of the General Manager, the Mayor or delegated authority.
3. A media release should never be issued quoting a Councillor or member of staff without that person's prior knowledge.
4. Staff with specialist knowledge may be quoted in media releases with the permission of the relevant delegated authority.
5. Media releases must be approved by the General Manager or the delegated authority before posting on the Council website.
6. All new employees are to be given Council's Media Policy as a part of the induction process.
