

# TOWN CENTRE UPGRADE

## RYEDALE ROAD, WEST RYDE

### CONSTRUCTION UPDATE NOVEMBER 2021

Ferrycarrig was engaged by the City of Ryde Council to undertake the upgrade of Ryedale Road Public Domain.

Our key consideration throughout the delivery of this project was to minimise disruption to the local community, businesses and environment.

#### Completed Works

- ✓ Underground electrical conduit and cable installation works on shop side and rail side completed.
- ✓ New storm water drainage system completed.
- ✓ Kerbing, paving & footpath works on shop side completed.
- ✓ Ongoing installation of multifunctional poles along Ryedale Road.
- ✓ Removed overhead cables along Ryedale Road.

#### Upcoming Works.

- Paving works along rail side.
- Construction of raised pedestrian crossings.
- Kerb and footpath work - Station side.
- Soft landscape works.
- Installation of signages, pavement marking, bins, bench seats and bollards.
