

One of the highlights of the City of Ryde Sustainability Festival will be the Fix 'n Ride Workshops in which cyclists can receive a free bicycle check.

SUSTAINABILITY FESTIVAL

Come and celebrate World Environment Day at the City of Ryde Sustainability Festival from 10.00am this Sunday 5 June at Tuckwell Park.

There will be a range of fun and engaging activities taking place throughout the day to educate residents on how to reduce waste, build resilience, protect our natural habitats and promote sustainable living.

This includes demonstrations on plastic-free living and edible gardening, as well as hands-on workshops covering a number of sustainability topics.

There will also be stalls, live music and fun activities for children.

The Sustainability Festival is proudly supported by Hyundai and Love Macquarie Park.

ANZAC PARK MASTERPLAN

Council has endorsed the Anzac Park Masterplan which will increase the recreation opportunities at the West Ryde park to better meet the needs of the community.

Developed following extensive community consultation, the 20-year masterplan includes improvements and upgrades such as new open spaces, amenities building, fitness equipment, picnic and barbecue facilities, increased tree canopy as well as a number of inclusive design features.

The adoption of the masterplan is just another example of Council's commitment to provide first-class parks, playgrounds and open spaces for everyone in our community.
